DEGREE: Bachelor of Commerce (Major in Accounting, Minor in Taxation)
COMPLETED: 2021
GRADUATE YEAR: February 2022

WHY MOORE AUSTRALIA?

I choose Moore specifically for the graduate program, this was something I felt would help me succeed and develop my skills out of university.

WHAT SUPPORT DID YOU RECEIVE THROUGH GRADUATE TRAINING AND CAANZ STUDY?

Moore provided a structured training program, which included a one-on-one mentor who I would have weekly check-ins with. Having a mentor that wanted me to succeed and was there to help was invaluable to my development, making me more confident in my new role.

BEST PIECE OF ADVICE YOU RECEIVED AS AN ACCOUNTANT?

Starting a new role can be daunting, but you are not expected to know everything on your first day! So, my best piece of advice would be that there are no silly questions.

FAVOURITE THING ABOUT YOUR ROLE TODAY?

I am currently an accountant and about to start studying my CA Training.

A few of my favourite things about Moore are the company culture, the opportunity for career growth and the consistent training and development provided.
